

*“We have to deliver a first-rate product.  
Blowtherm spray booths make that happen.”*

*~ Larry Newman, Body Shop Manager  
Land Rover of Dallas*

“After researching many spray booth suppliers, we chose Blowtherm systems based on quality and production. Our cost of operation is down over 20% and our production tripled almost instantly.”

“Our paint comes out much cleaner. We’re turning out vehicles in 1/2 the time from our previous booth supplier.”

“What amazed us was the smooth installation. Our distributor, English Collision Equipment, delivered exactly what they promised - affordable booths that require nearly effortless operation.”

“We’re currently using one body shop for two dealerships. Blowtherm is definitely a better value for the money.”
